Strathmore, Alberta, May 16th, 1928

Subscription per annum, \$2.00; Foreign \$2.50

MASTERLY ADDRESS BY W. S. WOODS AT THE MEMORIAL HALL

The much discussed subject of immigration was the main topic at the monthly meeting of the Canadian Legion held last Thursday. Walter S. Woods, District Superintendent, and Lord Strathmore, Board, the guest of the evening, addressed the gathering in such a masterly manner as to leave no doubt in the minds of the master great study, the many viewpoints expressed displaying the capability and knowledge of the speaker.

Figures quoted to prove various points were most enlightening, giving to many what was an entirely new picture of the problem.

Discussing first the opportunity offered, Comrade Woods stated, a study of conditions for the past fifty years showed the tide of immigration was reached when Great Britain was prosperous, the people having the means to emigrate; lack of funds retarded the movement. In poorer days, during which what might be termed the Contraction Period, all classes of emigrants were attracted and easily assimilated, employment being found in the construction of railways and the building of new towns and cities.

Those intent on an agricultural life were induced by a free grant of land. Today things were entirely different. This was being done in a stage that the only class that could be successfully assimilated in large numbers was the farmer. As far as this Province was concerned there was but little free land left to give and there was no longer that attraction. Unless immigrants in the shape of early term loans for land, equipment and stock were offered, we could not hope to gain the settler most needed in this province. This was being done by the Australian and South African Governments who were receiving the bulk of emigrants by offering land and loans to assist the settler. Conditions at present had nothing along these lines. The best settlers were undoubtedly those of British ancestry. During the fifty years there were only two years when the entry of those of foreign birth had exceeded the British. At the moment, the population of Canada was 85% British and French.

In the light of that figure, the foreign population was not such a menace as was generally believed, even though the past year had shown such a great increase in the foreign element. The selection of those best suited, was, in the speaker's opinion, mainly a matter of temperament. The British stock had the heritage of farming in their blood, and given the right temperament, it mattered little whether the newcomer had farmed all his days or was merely a laborer at farming. Experience had shown that many who had farmed previously failed to succeed, whereas others who had left the pen for the plow, made good.

In bringing out his final point, Comrade Woods was most eloquent in impressing the need of good selection. It was not enough to secure the settler, place him on a farm, and advance him a loan. The task was to see that he was happy and content to stay. This was a great need especially where the woman was concerned. A man's work in the field was generally his main interest. It was the woman who bore the burden of prairie life, and they had the right to expect something more than a 2 x 4 shack and a humdrum existence. The success of any land settlement scheme would depend

mainly on how attractive farm life was made for the woman.

NEW ITALIAN CONSUL TO CANADA. Mr. U. Pio Margotti, who has been appointed Consul-General for Italy to Canada to succeed Dr. Bonardelli. He has been in his country's Consular service for twenty years.

Summing up the situation as it appeared to him, immigration was, after all, a matter of dollars and cents. The more spent on loans to the incoming settler the more immigrants the country would receive. The conditions for the farmer the country would receive. The conditions for the farmer the country would receive.

Every land settlement scheme Canada had undertaken in the past had been state aided. The conditions for farmers were never better. With our nearest neighbor gaining victory in population, and at the same time, decreasing in the production of grain and livestock, a growing market was at our door.

The time was not far distant when there would be no longer a Fordney Tariff.

Replying to a question on the 5000 family scheme, the speaker stated that the British Government provided the cash, and it was the duty of the Board to select suitable farms and supervise. Canada did not make loans and did not employ agents to induce immigrants. The shipping companies were in quite a different position, being allowed in countries where government immigration agents were forbidden.

The soldier settlement was briefly dealt with, and figures were given to show that the scheme had every mark of success.

The number of questions asked and readily answered were a sure indication of the interest taken, and the hearty vote of thanks accorded to the speaker was well merited. The resolution of the Calgary Branch on Foreign Settlement was endorsed, and the pro and con of the situation was argued far and into the night.

If it is possible, arrangements will be made to have Mr. Woods address a public meeting in the fall, when a larger audience will be enabled to enjoy his fine personality, and receive the benefit of his experience and study.

A cow is kept on exhibition in a New York zoo so that children of the metropolis may know what this creature looks like. Will the time ever come when a horse will similarly be displayed for general edification?

EMPIRE DAY FOOTBALL GAME

The real headline attraction for Empire Day in the line of sports, will no doubt, be the football match between the High School team and the Merchants, when the latter will field the following team, each of whom have been carrying on dietary training course, for weeks, and are now in the pink of condition.

Mayor Shrimpton, who thought he would have a cinch to make the team, think the best he has land is apt to be with Rexall and Tommie Wright. The last workout that Dr. Giffen had, he was but a fraction of a second under Charlie Paddock's record for 225 yards.

The merchant's team is remarkably fast on the half-back division. T. Gatenby and Geo. Anderson are in prime condition, but Fred Dunn is working hard, owing to several injuries of training rules, is slightly overweight, and may be replaced. The Merchant's team will be: Goal, Dr. Giffen; Backs, Geo. Jones and Fred Anderson; half-backs, Geo. Anderson, T. Gatenby and F. J. Dunn; forwards, P. Cott, Roberts, F. Wright, J. Weiss and O. Wright; spare players, Ed McClellan, A. S. Shrimpton and T. Wright.

Trainer, T. M. Wears.

CLAIM MYSTERY OF AURORA BOREALS AT LAST SOLVED

PRINCETON, N. J.—Two Princeton university physicists believe they have solved the mystery of aurora borealis, one of nature's most brilliant displays, the cause of which has baffled scientists since the world began.

Dr. Guntter Carlo and Dr. Joseph Kaplan reproduced the northern lights—at first by accident and then by a simple application of the rules of chemistry. They noticed that an electrical discharge into a mixture of oxygen and nitrogen would reproduce the aurora spectrum—blue and orange red—of the aurora borealis. They continued their experiments with better effect and hope to prove that aurora borealis is the result of the transference of nitrogen energy to oxygen.

Dept. of Agriculture Issues Crop Report

Issued by Department of Agriculture, Government of Alberta.

EDMONTON, May 12.—Seeding of wheat is from sixty to seventy five per cent. completed in the southern part of the province and from thirty-five to fifty per cent. in the central and northern sections and spring work is proceeding under ideal conditions, according to telegraphic reports received by the Department of Agriculture.

In a number of districts early sown wheat is well above the ground and a start has been made with the seeding of coarse grain. All reports indicate that the soil is in excellent condition as regards moisture. This is especially true of the central part of the province where rain and snow during the past week somewhat delayed spring work. Seeding of wheat is general throughout the Peace River country with sixty to eighty per cent. completed in a number of districts.

Reports from a number of districts in the province indicate that the 1928 wheat acreage will show an increase of from five to fifteen per cent. over

MOTHER AND DAUGHTER BANQUET

A very interesting and pleasant evening was held in the basement of the United Church on Friday evening, May 11th, when the members of the C.G.I.V. group, under the leadership of Mrs. S. O. Bower, entertained their mothers at a very enjoyable banquet. Seventy-five mothers and daughters were seated at the table.

The tables were very attractive with their color scheme of blue and yellow.

Under the toastmaster, Miss Phyllis Bower, the following programme was given:
Toast: "Our King and Country";
Toast: "To Our Mothers," Miss Louise Bower.
Solo: Miss Alice Garrett.
Toast: "To Our Daughters," Mrs. Whitelade.
Solo: Miss Alice Garrett.
Song: "To Our Visitors," Miss Phyllis Bower.
Reception by the members and guests.
Reply: Mrs. S. Moore.
Solo: Miss M. Folk.
Reception: Miss Elsie Sorenson.
Song by the members and guests.

PREDICTS TWO DOLLAR WHEAT

LINCOLN, Neb.—H. W. Wood, connected with the Canadian wheat pool since its inception, told the National Wheat pool committee how the association had added from 40 to 50 cents to the price of wheat in the Dominion. The pool this year is handling wheat grown by 140,000 farmers and about 56 per cent of the whole Canadian crop. Mr. Wood is president of the Alberta pool and vice-president general cooperative pool organization.

"For one reason I know," he said, "other than the Canadian pool, and other centralized selling points, the price of wheat in Canada since the organization of the pool has been from \$1.35 to \$1.50 a bushel; that is 20 cents more than in the United States. The British millers who are the most efficient buyers in the world realize the fact that the Canadian wheat pool is a big bull factor."

That of last year, with very little difference in the coarse grain acreage except in localities in which spring work has been unusually delayed. The wheat acreage of the province will be limited to some extent by the small amount of fall plowing done last year, but in many cases this will be more than offset by the large acreage sown in the spring.

Good progress is being made with the threshing of the 1927 crop which is still standing in the field in some southern districts and the quality of grain being threshed at this time is reported to be considerably better than was anticipated.

Another week will see the completion of sugar beet seeding in the south of the province where a large acreage is being put in. Winter wheat and winter rye have come through the season very satisfactorily and in practically all cases good stands are reported. Livestock generally is in good condition and pastures are making good growth.

STRAITHMORE COUNCIL HELD REGULAR MEETING

DRAWN UP WHEAT MAP. L. H. Newman, Dominion Cerealist, who is drawing up a wheat map of the Prairie Provinces which will show the grain grower at a glance just what variety could be grown in a district with the greatest advantage.

MEN'S FOURSOME THURSDAY MAY 24

A men's foursome for prizes of balls will be played on Thursday, May 24 at any hour of the day. As the handicap list is not available, balanced foursomes have been drawn, and the captain, G. H. Patrick, phone 2405, will be greatly obliged if those who are unable to play on the 24th will notify him to that effect before Saturday, May 19th, so that those who can play will not be disappointed in being without partners.

Will the first named member in each foursome kindly arrange with the other three, and if needed, apply to Mr. G. H. Patrick or Mr. E. W. R. Whitelade for any rearrangement.

F. J. Dunn with M. A. Mulligan
Walter Gray with G. Ginos
J. Van Tighem with C. Pederson
Wm. Gray with A. D. Shrimpton

Leslie West with T. Gatenby vs. A. Person with A. McClellan
L. Van Tighem with O. Melvin vs. Alex Gray Jr. with N. Gatenby
Archie Gray with G. Lydiak vs. Alex Gray Sr. with E. A. Brown
E. Whitelade with Geo. Jones vs. D. Lunde with J. Gannon

O. H. Patrick with Wm. Harrison vs. W. Knyvet with D. Perry
E. N. Ridley with J. Downie vs. R. S. Stockton with J. H. Martin

Any others who would desire to play please notify either Mr. White or Mr. Patrick and they will be drawn.

Ardenode U.F.W.A.

A very interesting meeting of the U.F.W.A. was held at the home of Mrs. H. W. Gohard on May 9th.

After the usual order of business, Mrs. Field and Mrs. J. C. Buckley as speakers for the afternoon, remarking it was rare we had the honor of having two vice-presidents of our organization to come and speak to us.

Mrs. Buckley gave a very interesting talk on the work accomplished by our U.F.W.A., urging us to encourage our Juniors to follow in our footsteps. Mrs. Field gave a very helpful talk.

Mayor Shrimpton presided at the regular meeting of the Strathmore Council on Tuesday night, at which T. M. Wears read the minutes of the last meeting, which were, upon motion, confirmed.

Lectures were heard from High River and Edson municipal secretaries in regard to the Town Act in which the assessment is made compulsory at two-fold value of the value of the land. The act will be thoroughly analyzed at the June meeting of municipalities.

A communication from the United Electric power Co. was received in regard to the irregularity of the power service, to which R. A. Brown will give his personal attention.

Fred Anderson applied for permission to put in an extra oil tank, and to use an electric motor, was granted conditionally upon the Globe Oil Co. complying with the conditions of the Fire Insurance Underwriters.

The Globe Oil Co. reverted having started work without getting a permit, and promised to submit plans shortly. The application for restaurant license to Quon Gart was recommended.

The estimates for the year were informally discussed, and the Council considered that they will be able to get through with about \$18,000, which includes the \$10,000 required for the schools, and they are hoping to be able to keep the taxes for 1928 at about the same amount as last year, notwithstanding the forced change of assessment by the Provincial Government.

Current accounts amounting to about \$500 were passed to the finance committee. This includes the road work that has just been done on Bayview avenue, and the building of the new culvert.

Oliver Wright reported that all the dog taxes have been paid with a few exceptions, and these will be fixed within a few days.

Coming Events

H. D. Powers, right specialist will visit Strathmore on Saturday, May 19th.

The Junior Red Cross will hold a tea in the King Edward Banquet Room on Saturday afternoon, May 19th.

Next Friday and Saturday the attraction at Hirtle's Theatre will be Clara Bow in "Man, Woman and Sin", and on Thursday, Friday and Saturday, May 24th, 25th and 26th, "Rough Riders" will be presented.

on "Health, Education and Immigration." Both speakers had their subjects well in hand.

The following visitors were present: Mrs. F. W. Wyman, Mrs. Lyons, Mrs. Freeman, Mrs. Seely, Miss Seely, and Mrs. Hilton.

Our hostess, with usual generosity, served a delicious lunch. Afterwards Mrs. C. O. Dawson sang "The Task", responding with an encore number, "Lay My Head Beneath a Rose".

Everyone went home feeling it was an afternoon well spent.

Next meeting will be held at the home of Mrs. O. R. Booth on June 6th, and we hope to see all members present.

Harold Horrocks has been elected delegate to the Junior Conference at Edmonton.

Inter-School Spelling Contest, Carlsland

A Guarantee

THAT BINDS—

"The Hobberlin"—

Satisfaction or Your Money Back

There are guarantees and guarantees but behind the Hobberlin bond is a house which has stood by its word for over 40 years.

Fair dealing and honest values alone permit a house to survive—you can trust the Hobberlin guarantee to perform exactly what it undertakes—satisfaction or your money back.

Your suit, your topcoat, your extra trousers or vest—are all absolutely protected when you order from the House of Hobberlin.

The sample range is now complete—we'd like you to see them.

Nash Leads the World in Motor Car Value

Announcing

J. A. DAMEN

Nash Dealer

It is a genuine privilege and pleasure to announce that J. A. Damen has assumed the Nash representation in Strathmore.

We feel that the Alberta Nash, Ltd., wholesale distributors, and Nash owners in this section are fortunate in having the Nash franchise entrusted to a man of such unusual ability and excellent reputation.

The new Nash home on Main Street is amply provided with modern and efficient service equipment, and owners in this section are assured of a high standard of car maintenance.

You are cordially invited to visit these headquarters to view the full display of the entirely new ADVANCED SIX, SPECIAL SIX, and STANDARD SIX MODELS.

With their new superbly modeled body designs, their low body contours, their small wheels, and their sparkling new color harmonies, they are unquestionably the smartest looking cars you ever saw.

And the many new mechanical and engineering features they embody—newly refined 7-bearing motors, new secret-process alloy-steel springs—and a wealth of others, place them strikingly above and beyond anything else in their fields.

24 Models—All Sixes. \$1450. Upwards. Strathmore

SPORT NOTES

A KNOCK OUT IN RECORD TIME

Tommy White, Calgary flyweight boxer, who, in his spare time, has developed into being a boxing promoter, put on his first entertainment at the Memorial Hall on Saturday night, and, as far as his part of the work was concerned, had arranged a sales all program, while Mel Cowie, of Calgary, and Young Gore, of Swatwell, were the headliners, the keenest interest was manifest in the outcome of the first professional combat between Bob Canuck and Nels Ferguson, each of whom had scores of admirers, and looked forward to a six round battle that would long be remembered.

The preliminaries were good, with the exception of Mike Moran and Herbert Ellis, whose friends were disappointed to see them put on "a hippodrome" that the least said about the better, and Tommy White or any other promoter would be well advised to leave these boys off the list in future, or at least until they learn that people do not pay good money for a joke exhibition.

Young Cleve and Jack Anderson, the Strathmore 12 year-olds put on three two-minute rounds that were quite clever.

The four round bout between Cramer and Oldenberg was fast and Oldenberg made many friends by his gameness in continuing with one eye closed, which he received in the second round. Cramer was given the decision.

Everyone was keyed-up to a high pitch when Gus H. Jones introduced Bob Canuck and Nels Ferguson. Referee Fred Lund gave the boys their instructions, the usual greetings were extended to each other by the boys, and in three and a half seconds Ferguson had landed a steep puncher, and Bob Canuck was listening to the "shinies" while referee Lund counted the fatal ten.

It was one of the fastest knockouts on record. Fergie had landed a right cross to the jaw, and nine out of ten of the spectators wondered really what had happened.

The scrap between Mel Cowie was a disappointment, and only lasted five rounds when Gore's seconds tossed the towel in the ring. Young Gore had been kicked by a horse, and was forced to fight with only one wing.

Gore made many friends among the audience who thought that when in condition that he would make Mel go the limit to win, while others were quite convinced that Cowie was too good a sport to take advantage of Gore in the condition in which Gore was forced to enter the contest.

Fred Lund gave very general satisfaction as referee, and also entertained the spectators to a very clever exhibition of back-and-wing dancing, which proved that the "old boy" could make Harold Smith and a few others sit up and take notice.

The exhibition bout given by Tommy White and his sparring partner Slimmonds, was exceedingly clever, and it was lucky for Slimmonds that he had the extra seconds or Tommy might have sent him to look for Bob Canuck in slumberland.

Altogether the entertainment was generally satisfactory, and the Bow Valley fans will be glad to see in the near future another equally promising program.

LIQUOR PROFITS IN ONTARIO AND ALBERTA

In connection with statements which appeared in the press regarding liquor profits in Ontario and Alberta and quoting the former as making 15 per cent, the following statement is issued by R. J. Dinning, Liquor Commissioner for Alberta.

It may be pointed out that the Ontario figures included sales of beer totalling \$6,674,166, but the Alberta figures omitted the sales of beer in this province, although all the profits on beer were included.

In five months Ontario is reported to have sold:

Wine and Spirits	\$11,166,243
Beer and Stout	6,674,166
	\$17,840,409

on which a profit of \$2,938,659 (five months) was made on actual sales or approximately 15%.

In twelve months in Alberta the following sales were made:

Liquor and Wines	\$4,552,349
Beer sold through stores	306,500

on which a profit of \$2,938,659 was made (including pub-house, tax and license, fees of \$245,005) or approximately 22% on the total sales, not 41% as suggested in the daily press.

From the viewpoint of the Liquor Boards, the system of handling beer in Ontario differs very little from that of Alberta in so far as the cost of operation and supervision is concerned, thus in comparing the net profits it is only fair to include beer sales in both provinces.

BUSY WOMAN M.P.

Mrs. Witheringham, former British M.P., and prospective Liberal candidate for Louth, claims to be the most hard-worked member of parliament. In the Louth constituency there are 166 villages, and she makes a periodic tour, covering 100 miles every few months. During these tours she talks to, roughly, 70,000 people, and settles their problems for them.

TIRES OF FAITH— JOINS FLAPPEROM

There was great distress in the Menominee settlement near Rockyford when it was discovered that one of their younger female members had suddenly deserted and married outside the sect. The young lady had apparently decided she was tired of wearing sombre clothes, longhair and wooden stockings for when a number of the Menominites arrived in Drumheller, where, Provincial Police, were holding the erring member of the flock, they were confronted with a charming girl of the ultra modern school—short skirts, silk hose, bobbed hair and other visible signs of waywardness. The Menominites older made strenuous efforts to have the eloping bride return to her faith and family but she was in love with a more worldly young man, consequently they were compelled to return without her.

STRATHMORE, ALBERTA

SCHOOL COLUMN

Last Friday the Strathmore school baseball team played the Gleichen high school team at Gleichen. The game, resulted in a win for Strathmore, the score being 1-0. Jack Crellin as pitcher and Hector McGregor as catcher, were the outstanding players for Strathmore, both of these boys played an excellent game.

The school team lineup as follows: Catcher, Hector McGregor; Pitcher, Jack Crellin; 1st b, John Garrett; 2nd b, Norman Ellis; a.s., Charlie Gironi; 3rd b, Herbert Reinger; c.f., Michael Moran; c.f., Nath. Woldum; 1st, Campbell McDonald; sub, Mitchell Garrett; Harold Garriot.

The boys wish to thank the following for driving their cars to Gleichen: Mayor Shrimpton, Eddie Crellin and the Garrett boys.

There will be a return game in Strathmore on Thursday at 6.30 p.m. and on Friday, May 18th, the Strathmore High School girls' basketball team will play Gleichen at the Strathmore school grounds. It is hoped that there will be a good crowd to witness both these games. These young players appreciate support and encouragement.

It is expected that basketball games will be arranged with Arrowwood and Rockyford.

The Inter-school Spelling Tournament takes place in Carleton Place on Friday, May 24th. Strathmore will have entries in all classes, and will be entering thirty-six competitors. As an additional feature (three of the speakers in the recent oratorical contest will deliver their orations: Miss Gies of Carleton, Miss Coonfer, of Dalenmead, and John Garrett, of Strathmore.

The Inter-School Sports Day will be held on Friday, June 1; also in Carleton Place. Details will be published next week.

Teachers please, make a note of the following changes in the School Fair list: No. 54 should read: "Collection of Canning", 10 years of age and over; No. 78 "Map of Alberta" for grade V; No. 82, "Map of South America" is for Grades VI and VII.

NAMAKA

Mrs. Mertgen, of Long Monte, arrived during the week, and is the guest of Mrs. J. W. McIntosh.

Mrs. Chas. Shaffer, of Chany, visited town Sunday.

Mrs. Gus Marcy, of Calgary, was a visitor over the week end.

Mrs. Jack McBean was the recipient of a beautiful bon bon dish, presented to her by the members of the Ladies Aid at the meeting held last week at the home of Mrs. Peterson.

I Saw Last Week

W. S. PATERSON taking some physical exercise at the Memorial grounds and at the same time admiring the growth of the poppies and pansies. CHARLES KESLING the popular grasswidge, coaxing himself to take a day off on Wednesday and see how the crops look around Cochrane. HARRY GROVES wearing a million dollar smile at the Tommy White boxing bout. JIM GUNN putting the finishing touches to the ring at the boxing contest. A LADY enquiring from Postmaster Martin if he had any of those rubber stamps that she saw advertised. PERCY PARISH enjoying a sun bath on the Masonic Hall steps. PERCY WRIGHT starting his delivery of McCallister Lake Ice on Tuesday and he says now he understands why King Kelly liked to be the ice man. He would not give any explanations. JACK ALLEN around explaining why the power was off and actually shedding crocodile tears. He maintains that you cannot jump the voltage up to 12,000 or 13,000,000 or some other 13 without having some inconveniences to the gang whom he routed out to work at 2 a.m. The boys claim they often get the same time, but this was a new experience to start work at that hour. ROY MINER of Cheade, feeling pretty melancholy when he learned that Jean Kinnemet had slipped one over him and signed up Jim Swanson for the season to go with him to standard. TOM GLEN-FINNING who has forsaken the habing business to join the Royal Bank staff, making his first official visits with bank drafts on Friday morning. COMFORTABLE HARRISON getting ready for duty at the Cochrane races. JOHN, the Bulgarian, telling Frank Miller to keep away from the big safe where all the bonds and securities are kept. BILL WILKINSON explaining just what happened to Bob Cawick.

DALEMEAD

The C.F.W.A. meeting was held at the Dalton home on Thursday, with an attendance of fifteen. Mrs. Hlast gave a very interesting account of her trip to California. Arrangements were also made for the basket demonstration which is to be held in June.

Mrs. and Mrs. Paulsen are the proud parents of a baby girl born on May 14.

The Junior U.P.A. meeting was held at the N. Newton home on May 5th. A large number of Juniors were in attendance.

Mrs. and Mrs. J. Horvath will move to Calgary this week; the boys will carry on with the farm work.

Mrs. and Mrs. A. McDonald and daughter Jesse were visitors at the Hable home the week end.

SIR ROBERT HORNE ENDS EMPIRE TOUR

VICTORIA, B. C.—Looking forward to ultimate free trade within the British Empire, British dominions should extend their present system of imperial tariff preferences as far as possible, Sir Robert Horne, distinguished British financier and former Chancellor of the Exchequer, urged in an interview here, following an Empire tour.

"It would be ideal for the British Empire to have among its various states a system of free trade," Sir Robert said. "This Empire free trade would allow a complete and unimpeded flow of commerce between the dominions, as does the system of interstate trading in the United States. The United States gains enormously thereby, keeping its vast markets to itself."

The various dominions have their individual interests to consider through their tariffs. We must work along less visionary and more practical lines. This must be accomplished by following a method of preference within the Empire. Already a considerable number have been established and one must hope that these will steadily increase. Empire trade agreements should be multiplied so that in this way we may steadily approach a condition of more complete interdependence and much greater solidarity."

Gen. Kays is visiting for a while at Tim Kildee.

O. G. Craig went to Banazzo on Wednesday to the opening of the new Masonic hall.

CLERK WOULDN'T WORK, IS JAILED BY JUDGE

DETROIT, Mich.—Henry A. Myers, former Circuit court stenographer, who was sent to jail for failure to do his work under sentence to serve 20 days or until he had finished certain important transcripts, halted at the job Friday.

In his cell at the jail Myers declared he would never do the work while being held a prisoner.

"At the time of my dismissal last June I was working 15 hours a day and could work no longer," he said. "Now that they have done all this, I certainly will be a long time before I complete the transcripts, if ever." Circuit Judge Theo. Richter, who said Myers had made no effort to supply the transcripts in seven cases ordered previous to his dismissal, had found the former stenographer guilty of contempt of court.

INTEREST SHOWN IN CO-OPERATIVE INSTITUTE

A number of applications have already been received by the registrar for attendance at the Alberta Institute of Cooperation which is to be held from June 25 to 29. It is considered likely that the institute will be held at the University of Alberta where sufficient accommodation can be provided for the numbers who will attend.

Local Jottings :-

Jim Swanson, who has been working his head off around Strathmore since 1910, is going with Jean Kimmet when he takes over the Webb Hotel. "Believe me," said Jean, "I am not going to be like Roy Miller and stop Jim from working; he'll get all the exercise he needs in Standard." Jim's Strathmore friends are sorry to see him leaving, and wish him luck in his new home.

Richard Lill, Fredrick Bona visited the oil fields Sunday.

Fred J. Dunn was busy Tuesday morning adjusting a claim for \$1200 upon a truck destroyed by fire.

Mrs. Zerkie Macdaniel, who have spent the past ten months at Tipton, have returned home.

Mr. Don H. Burk has received the appointment of Superintendent of Irrigation development at Brooks, which is a combination of his former work together with that performed by Mr. Doughty, and his Strathmore friends will be pleased to learn of his promotion.

John McLean, well-known farmer in the Cheate district, was charged on Friday last before Mr. Lambert, J.P., under section 2 of "The Prairie Fires Act" with permitting fire to run at large at Cheate on May 4th last. McLean pleaded guilty and was fined \$25.00 and costs. T. M. Wear, Barister, Strathmore, watched the case on behalf of a client who sustained damage by the fire.

George T. Berry will sell the Short horn bull Princeton Elias, a son of the grand champion King of the Faires, bred by H.R.H. the Prince of Wales, at the Calgary summer sale on June 1st.

H. D. Powers, special agent of Calgary, has made arrangements to make regular visits to Strathmore at least once a month. Mr. Powers is an expert of twenty-two years experience, is well and favorably known in Calgary, and his visits to Strathmore will be a great convenience to the people in the district who are at the King Edward Hotel on Saturday, May 19th.

Tom Glendinning has abandoned the art of providing pies and cakes to be

come a Junior Pierpont Moran, and has joined the Royal Bank staff.

The J.P.R. grading machine certainly did a nice piece of work on Railway Avenue, which now gives promise of being a fine stretch of roadway.

Mildred Tucker, while playing on the swings in the park, fell and fractured two of her ribs.

The Namaka congregation of the United Church are busy making arrangements to celebrate their 20th anniversary during the month of August.

Billy Tucker, while with his father at Mrs. Stangier's farm, was engaged gathering eggs, when he fell and fractured his arm. Dr. J. W. Giffen fixed the young lad up, and he now is making a satisfactory recovery.

Bill Wilkinson says we have reached the season when the spring poets do fight to unravel themselves on the benches of the tulips and daffodils, but he would like to see some of those birds use their surplus energy upon an ode to the good old scrubbing brush or paint brush that are honest man delights to use in Spring or Fall.

CARLELAND

The vote in the municipal election Saturday was: Phillips 49, Nash 26.

The many friends of Mr. and Mrs. Reginald Page, of Carleland, were shocked to hear of the sudden death of their eldest son, Peter, who died in a Calgary Hospital on Tuesday afternoon at the age of fifteen years.

The funeral was held on Thursday, and the service there and at the Carleland Cemetery was conducted by the Rev. Canon James, of St. Stephens, Calgary. The pall bearers were T. H. Baines, Charles Cole, Geo. Lonsdale, W. Macdougall, Milton and Oscar Moorhouse. Floral tributes were sent by the following: Daddy and Mother, Bruce and Brownie, Uncle George and Auntie Sue, Vera and Don, Tom Baines, D. Anderson, Mr. and Mrs. W. Cole and Charlie, Mr. and Mrs. Wm. Collette, Mr. and Mrs. N. A. Cook and Ben, Mr. and Mrs. H. L. Curson, Mr. and Mrs. C. E. Cole, Mr. and Mrs. Phil Doolin, Mr. and Mrs. Pat Duffus and Isobel, Mr. and Mrs. Fred J. Dunn, Mr. and Mrs. P. R. Forster, Mr. and Mrs. Gale Field, Mr. and Mrs. T. Field, Mr. and Mrs. Harry Gurnee and family, Mr. and Mrs. W.

Greenwood, Mr. and Mrs. Jas. Haynes, Mr. and Mrs. Bob Haskayne, Mr. and Mrs. W. Holden, Mr. and Mrs. A. Hill, Mr. and Mrs. Kenneth, Mr. and Mrs. John Kent, Mr. and Mrs. Geo. Lancaster, Mr. and Mrs. E. W. Lambert, Mr. and Mrs. A. Masak, Mr. and Mrs. Oscar Moorhouse, Mr. A. O. Myers, Mr. and Mrs. N. Mutch, Mr. and Mrs. Claude Macdon, Mr. and Mrs. H. Puckerman, Mr. and Mrs. Leland Phillips, Carleland P. B. Club, Oscar Peterson, Peggy and Buby, Mr. and Mrs. W. H. Hinton, Mr. and Mrs. Dave Hurlston, Mr. and Mrs. Homer Robison, Mrs. D. Robinson, Mr. and Mrs. Sam Slater, Sylvia, Hestia and Marg. Kory, Strathmore Cricket Club, Teacher and pupils of Glenclair school, Carleland Local U.F.W.A., Carleland Local U.F.W.A., George and Robert Watson, Willie and Bessie, Mr. and Mrs. H. Wooster and family.

The weather man put a stop to the first of the season's ball game of the league. The weather being unsettled. Questions about the local manager that they would not appear on the scene. There was a fairly good turnout of the home fans to see the Tigers to play, but had to be content with a scrub team against the seniors in practice.

Mr. and Mrs. J. C. Forbes spent the week end on a visit to Banff. Graham was as dry as a hatter when he arrived home at the Chateau.

Friday night will see the Community Hall in activity, when the Board of Directors are staging a popular dance.

Harold Hesketh, of Liverpool, England, arrived during the week a visit to his brother-in-law and sister, Mr. and Mrs. Bob Haskayne.

Saturday being election day, the boys had to queue their thirst between Mike Browns and the local pump.

Mr. H. Peterson, the new pitcher for the Carleland Pirates, arrived in town during the week end, but did not get the opportunity to do his stunt against the Queensmen. Manager Lee has contracted ballitis from disappointment of not getting the figure in action.

Frank Farnish was very anxious to meet a marriageable lady at our next dance on May 18th. Look up girls.

Nick Holden & Company are sporting one of the new Chevrolet cars from White & Son, Strathmore.

W. C. Bridgeman: "Submarines are far cheaper to build than cruisers; they are considered the poor relation of a rich nation's warships."

HEAVY PUNISHMENT FOR CONCEALMENT OF INCOME FROM BONDS

OTTAWA—The income tax department is checking up on stockholders and bondholders that discover the possession of any stocks or bonds the income from which has not been reported. In such cases prosecution will be entered and penalties and interest exacted.

Where stockholders report voluntarily within the next few weeks, they will be charged only the unpaid taxes, but if they have to be hunted the penalties will be heavy. One individual today paid \$14,000 in taxes he had evaded by concealing the possession of his bonds. This was in addition to the \$6,000 he will have to pay on this year's income. As the case was reported voluntarily, no

prosecution will be entered and no penalties inflicted. Another man reported three \$500 bonds he had never mentioned in his tax return. Many people think the revenue from stocks and bonds need not be reported, but that is erroneous. Profits from a tier in the stock market need not be reported, so long as it is not one's regular business.

The Wheat Pool Brings About A New Condition of Affairs

Western Canada's
1927
Wheat Crop
Government
Estimate
415,000,000.
Delivered
to Market
370,000,000.
Estimated
Balance
Yet to Be
Delivered
By Farmer
20,000,000.

Over eight months have passed since the commencement of the crop year on September 1, 1927, and ninety per cent. of the crop has been delivered. The great bulk of non-Pool wheat has left the growers' hands.

Except for those who have not had their grain threshed owing to weather conditions, and the few who held their grain since last harvest, the non-Pool farmers have little concern in the present higher prices for wheat. The "average" closer prices" ever on the list of the Grain Trade should really be figured during the time the grain is going on the market. That is, from September to April. With very little wheat in store, the farmer's hands have as they are benefited by high prices from now on.

Wheat Pool members, on the other hand, have a vital interest in present prices. They have seen their Pool start the crop year under a burden of tremendous wheat supplies, and a handicap of a cloud of "bearish" news. Last year's grain prices in Western Canada, and Vancouver's facilities were taxed to the limit. Argentina had raised a tremendous crop. Europe's production was up by millions of bushels. The United States' wheat crop was heavy and altogether things did not look any too rosy.

The Canadian Pool had a difficult task on hand and Pool members may have a good excuse for a feeling of elation at the successful manner in which a grave situation was handled by the organization they had created. Pool members are now in a position to participate to an appreciable extent in the rising market prices.

If there was no Wheat Pool in Western Canada what would the situation have been? The bulk of the wheat would be out of the farmers' hands and in the hands of market intermediaries who would reap a very rich profit indeed. The Wheat Pool has changed this situation in a decided fashion. Now Pool members can sit back unworried and feel assured that they will get the best year's average price for the products of their labors.

NO ONE IS GOING TO EXTRACT EXTRAVAGANT PROFITS FROM POOL WHEAT.

Farmers should realize that only by the Pool's Control of Volume has the Wheat Pool been able to function efficiently. This volume is assured by Signed Contracts. Join your brother Pool members in this vital undertaking.

CALGARY — ALBERTA

The House of Comfort, Courtesy, Cleanliness.
Fred R. Phillips, Mgr. Chas. Trautwein, Prop.

termoon the pupils of the local and Rockford Sunday Schools assembled together to give the best Mother's Day program that has ever been given here. Fifteen scholars each said their individual piece, and two of them sang solos. The number of parents present was the largest ever. The children all did well. The pastor, officers and teachers deserve commendation for a most successful and happy occasion.

Sunday evening there was a large and interested congregation in the United Church when a Special Mother's Day service was held. The Church was beautifully decorated with green, house plants and flowers. The Ladies Aid having provided the carnations. The choir which was in full force sang special numbers, while the pastor preached an appropriate sermon worthy of the occasion.

ROCKFORD

We are sorry to report that Mrs. T. Rogers, of Swanton, has been very ill, necessitating the attendance of Dr. Giffen, from Strathmore. Her daughter, Mrs. Bues, from Chancellors is at present nursing her mother, and another daughter, Mrs. Pike, of Bayton, arrives to take charge. We shall hope to have a better report of Mrs. Rogers for our next issue.

On the evening of May 10th, Comrade Urwin, as Chairman of the Rockford Branch of the Canadian Legion, visited Strathmore, and were entertained by the Strathmore branch, and had the pleasure of listening to a most interesting address by Comrade W. Woods, of the Soldier Settlement Board, on Immigration.

The first dance, held on May 11th, under the auspices of the Rockford branch of the Canadian Legion, was an unqualified success. There was a good crowd, and with the famous Jolly Boys orchestra doing its stuff, a most enjoyable evening was spent. The catering was in the hands of the Catholic ladies, presided over by Mrs. Katterbach. We would have liked to have seen a few more local people at the dance, as most of the support came from outside points. We do, however, realize that it is a busy season just now, and we wish to thank all those citizens who so loyally helped us in forming this branch.

Mr. and Mrs. Henry have at present Mr. Culien two sisters, Mrs. Young, of Vancouver, and Sylvia, staying with them.

A nice rain fell here on Saturday, 35-100 of an inch being reported. This will do no end of good as the land was needing a little more moisture at the time. Wheat seeding in the district is almost finished, and the early sown fields are already green and looking most healthy. Every indication of another bumper crop.

At the April meeting of the Ladies Club, Mr. Lambert gave a very instructive talk on landscape painting. This was made doubly interesting by photos he passed around to illustrate his talk. On May 10th, the meeting took the form of a lamp shade demonstration by Mrs. Kettenbach, which was conducted in a very efficient manner. The ladies presented Mrs. Ryan and Mrs. Pomeroy, who are leaving with gifts. The ladies quartette gave two very pleasing selections.

Miss L. Dobson, of Vancouver, B.C., is visiting with her sister, Mrs. L. W. Pomeroy.

Miss Mary O'Neil, of Calgary, was visiting with Mr. and Mrs. McGuire for the week end.

Miss Mary Katterbach, of Washington, is visiting with Mr. and Mrs. Henry Katterbach.

ROCKFORD UNITED CHURCH

Our G.A.I.T. girls conducted a very successful mother and daughter banquet on Thursday evening of last week. Fourteen girls with their mothers were seated, and other guests made the total of thirty-five at the tables. The girls took charge of the programme, which was rendered at the close of supper.

An item of much interest was the picture gallery of the baby pictures of the girls, and earlier pictures of the mothers. The entire evening was of much interest.

Mother's Day was observed in a very fitting manner at all the points on Sunday, Landsmeer, Valley Garden and Rockford all used the form of service prepared for the R.E.C.A. and

found much suggestion and inspiration in its rendering. The attendance was good. The evening service at Rockford was conducted with the pages Mothers of the Bible repeated by the girls who had rendered it as part of the programme of the Mothers and Daughters Banquet. It made a splendid conclusion to a Mother's Day in the Church.

Every one is invited to attend the United Church services on the Rockford charge.

Landsmeer—Sunday School and Teaching, 11 a.m.
Valley Garden—Sunday School and Teaching, 11 a.m.
Rockford—Sunday School at 11 a.m. and Preaching at 8 p.m.

ST. RITA'S CHURCH, ROCKFORD

On Sunday next, May 20th, a solemn triduum (three days of prayer) will commence at the Catholic Church in honor of the patroness St. Rita. The exercises will be in charge of Rev. Father Ryan, St. Joseph's Seminary, Edmonton. Ordained only two and a half years, Father Ryan has already proved himself a brilliant speaker, and his visit here is looked forward to with a great deal of pleasure.

On Tuesday morning at 10:30, a Solemn High Mass in honour of St. Rita will be sung, and the choir will render Leonard's Mass, which they sang with great success at Easter. The services on Sunday and Monday evenings will commence at 7:30 o'clock and a very cordial invitation is extended to everyone who may wish to attend.

PAYMENT MADE FOR LACOMBE AND NORTHWESTERN RAILWAY

A cheque for \$1,510,582.50 was turned over to Hon. R. G. Reid, Provincial Treasurer, on Thursday, May 10th, by the Canadian Pacific Railway Company of the purchase price of the Lacombe and Northwestern Railway, which has been operated by the C.P.R. since the transfer of ownership some few months ago. The sum involved represents the purchase price of \$7,500,000 and accrued interest since the date of the agreement.

I Forgot

To pay my subscription to the Standard; that's the explanation we often get when subscribers eventually discover that they are in arrears. The amount is small, but in the aggregate totals an amount that can always be used in a publishing office.

Look up your label and see if you have "Forgot".
THANK YOU.

PRINTING

The quality of your printing is one of the most important factors in modern business today. Every piece of printed matter you send out should be a representative of your firm.

To accomplish this it is necessary to have the right selection of type—the correct color scheme—the most suitable paper. That is where the STANDARD PRINTERS can help you. Here you will find a plant operated by men who understand your requirements, and you'll be surprised at the very reasonable rates charged for printing of quality.

We will be glad to help you.

NEW QUARTERS QUITE NECESSARY FOR GOVERNOR GENERAL

The close vote in the House of Com-
mons last week on the question of ap-
propriating \$70,000 for furnishings for
the Governor-General's quarters in the
Citadel at Quebec should give those
who sponsored the proposal pause.
This expenditure follows on the vote of
\$100,000 last year for the same pur-
pose. It is not the amount of money
involved to which objections can be
taken; it is the principle underlying
the matter. No loyal Canadian, which
means loyal Britisher, wants to see
the Governor-General of Canada housed
other than in a manner fitting the
high and exalted position he occupies.
He is a link connecting us with the
Throne and we have no desire to be
parsimonious in making suitable pro-
visions for His Excellency, and his
lady, and their entourage. It may be
that we Canadians are simple and de-
mocratic in our ways and do not love
ostentation, show and pomp; never-
theless we have no begrudging attitude
to His Majesty's Representative.

It is the lurking danger to this
country's democratic spirit that is
most to be feared in this matter. We
do not want old nobility in Canada;
the feudal castle, the ancient snob-
bery. We are for a new nobility of
character, manliness, and intelligence.
The trappings of aristocratic royalty
are out of place amongst a democratic
people like ourselves. We want the
Governor-General to go to and come
amongst us, as one of us, a welcome
visitor who makes himself at home,
well content with the hospitality we
offer. In this respect the members of
the Royal Family who visit us, not-
ably the Prince of Wales, set a good
example to Governors-General. It is
the simple domesticity of the Prince
that endears him to Canadians.
The same will be true of the Govern-
or-General. The more he makes him-
self one with us, shows himself to be
content to live without display and
pomp, and the less he does to beset
nobility amongst us, the better he
will be liked.

There is no more reason for the
Governor-General having an official
residence at Quebec than at Toronto,
or any other provincial capital. It
almost seems like a reproach against
the loyalty of the French Canadians to
argue its necessity there. There are
no people in Canada more loyal to the
Throne than the people of Quebec.
There are no reasons of high policy
for the Governor-General having a
Quebec residence. There would seem
only to be a foolish adherence to the
self-inflicted state of mind that would
bid us all speak with bated breath
of "those whom it has pleased God
to place in authority over us." This
is not democracy; it is a deadly pol-
iteness. Let us stand up as men in
Canada, serving God, honoring the
King and reverencing the flag and the
institution under which we live,
loyally working for Canada and the
Empire of which it is an honored part,
but not being superstitious worshippers
of rulers and masters. Our fealty to
the Throne needs no ceremonial to
make it manifest; we have written
it in our blood.

MAKE NATURALIZATION EASY FOR NEW CITIZENS

It should be made as easy as pos-
sible for newcomers to Canada to be-
come Canadian citizens. The fact that
it is so difficult to do so has been
made plain to the thousands of new
comers to Canada in large num-
bers should give us both pride and

pleasure. It means that they believe
in the future of Canada and come here
to "grow up with the country." That
is a compliment to Canadians and to
those who have gone before us, the
pioneers of Canada. These new
Canadians not only come here to share
our burden of carrying out a new coun-
try and building a nation within the
Empire. There are the reasons why
pride and pleasure should stimulate us
all.

With a territory larger in area than
the United States, with the most pro-
ductive wheat lands in the world and
that a soil everywhere fertile, cultured
with the amount of which can hard-
ly be overestimated, the riches in re-
sources that are inexhaustible, we need
to tell with us, and for their labor,
the Government's wealth and pros-
perity of all. There is room for all
and opportunity for everybody. To
restrict the inflow of new citizens of
the right kind, and to make it hard
for them to become assimilated and
made into good Canadians, would not
be true statesmanship; it would be
political folly.

There is one lesson we in Canada
might learn from our neighbors to
the south. There they teach their
newcomers a robust Americanism, to
reverence the flag, to be loyal to their
institutions, and to become "good
Americans" as quickly as possible.
We do not seem to pay so much at-
tention to this work as Uncle Sam
does. The Government, which should
seem to for if we make naturalization
easier will prove more shadows with
out substance if we bend our energies
and shape our policies to the making
of our new citizens into Canadians.

Many of the people of other coun-
tries that come to Canada come
from lands where liberty has been
crushed on the earth, where absolutism
has reigned through centuries, where
rights of man have been trampled
to be replaced by a newer and
worse form of tyranny. They cannot
breathe the free air of Canada and
they are reluctant to become citizens
of a free country. They are not
loving freedom and becoming anti-
wars in the cause of human liberty
and progress.

WARNS AGAINST TYRANNY OF CO-OPERATIVE MARKETING

According to news despatches, W.
P. Jensen, a member of the Agricul-
tural Trade Economics Conference,
in a meeting in Chicago, bitterly de-
nounced cooperative marketing. The
speaker was indignant in a warning
against what he called radical legis-
lation as a means of farm relief, and
said: "We must be careful not to be
careful not to jeopardize the whole
agricultural industry by subjecting it
to the tyranny of bureaucratic regu-
lation and control under the guise of
co-operative marketing."

This Agricultural Trade Economics
Conference was said to have repre-
sented capital totaling \$5,000,000 and
more than 1,000,000 employees.

The conference, said Mr. Jensen
was called "to take action on the
modification of the laws discriminatory
to private business and private capital
as well as to make the co-operative
marketing movement with legal and
constitutional limits."

THE CANADIAN-BUILT CHRYSLER FOR CANADIANS

THE SAYINGS AND DOINGS OF MANY OF OUR MEN

High commendation for Hon.
James Maclean as minister of trade
and commerce is expressed by the
Ottawa Journal, an opposition news-
paper. Speaking of the growth of
the country in the last twenty years
and of the prospects for future ex-
pansion, the Journal says: "Fortu-
nately, we are awakening to our op-
portunities. Today, under Mr. Mac-
lean, the department of trade and
commerce is being vitalized with new
usefulness. A business man, with
broad horizons, and with personal ex-
perience in international trade, Mr.
Maclean is making his department of
real value to Canadian exporters.
Through the Commercial Intelligence
service, through advertisements in the
press, and through personal and other
contacts with Canadian business men,
he is making it easier for Canadian
industrials to get into touch and to
keep in touch with the commercial
progress and needs of the outside
world. It is a fine work for Canada;
worthy of the cooperation of all our
Canadians, and particularly of those
who are engaged in industry."

Rev. Hector Maclean, B.D., a very
brilliant minister of St. Andrew's
Presbyterian Church, Dundas, N. Z.,
has been called to the chair of Old
Testament studies in Ormond Theological
College, Melbourne. For seven
years he has filled the pulpit with
success which was made famous by
Dr. Viddell, during a pastorate of
40 years. Mr. Maclean took his uni-
versity course at Otago and then spent
four years in Glasgow where he
specialized on Hebrew and other
Oriental languages. He secured a
scholarship every year, and in the
final examination won the prize from
both in the ranks and as a chaplain.
He was nominated to the chair of
Hebrew in Knox College, Dundas
in 1915, the salary was appointed.
There is general regret now that he
is leaving the Dominion for the larger
field in Australia. At his farewell,
the Moderator of the General As-
sembly voiced the feelings of the
church generally, and he was paid a
very high tribute by members of the
presbytery and congregation.

Premier J. D. Maclean is quoted as
saying that in taxable property per
centum British Columbia leads all Can-
ada. The figures he gives are as fol-
lows: British Columbia, 15.52; Al-
berta, 13.21; Saskatchewan, 11.21;
Manitoba, 11.12; Ontario, 8.21; Que-
bec, 7.21. New Brunswick, 5.15; Nova
Scotia, 4.19. That alone is a record
of growth, and The Province has
earned a high place for its share in
promoting the progress of British
Columbia in a manner worthy of an
enterprising newspaper.

Having an easy time in trading in
farm produce are doing everything
within their power to block co-ope-
rative marketing. They see in it some-
thing that will check their easy money
and their cry of "radical legislation"
and the keeping of the co-operative
marketing movement within legal and
constitutional limits is designed for
nothing more nor less than to try
to muddy the water and keep the farmer
down to where he is receiving on an
average only a third of the amount
paid by the consumer for his produce.
Let's not be fooled by these high
sounding words and shrewd offers.
Co-operative marketing is gaining
ground fast and it has those "easy
living boys" on the run. Let's keep
them on the run.—The Progressive
Farmer.

"The immediate need is to cover
the main highways with an all-weather
surface and to do so in the most eco-
nomical way. Graveling at which the
province is working, is the available
type of surface now and the first to
be used in a growing country. What
is realized as a grant and immediate
help is the solution of the problem
of keeping the gravel in place. Part
of our present research aims at adapt-
ing the separated oil to this purpose."
This is the official statement made
by Dr. K. A. Clark, of the indust-
rial research department of the Uni-
versity of Alberta. He discussed the
progress of the research work of this
department, showing that it has a
two-fold problem in connection with
the Fort McMurray tar sands. One
question was the separation of the
bitumen and the other the practical
use of the bitumen when separated.

Non. Frank Oliver is due to retire
from the Dominion Raily Commission
this year, as he will have reached
the age limit of 75 years. Hon. Er-
nest Lapointe, Dominion Minister of
Justice, is to go to the Supreme
Court in Canada, owing to Judge Mc-
millan reaching the age limit this year.
Let us hope that as good supporters
of the people's interests, Mr. Oliver and
Lapointe will be appointed in their
places.

LAWYERS RESORT TO BLOWS AS ARGUMENT

— 6 —

TORONTO—A brief but exciting fight between D'Arcy Hinds, assistant registrar of Osgoode Hall, and Patrick Sullivan, an employee of the

Misses Small, who appeared in connection with the taxing of legal fees

incurred in the litigation over the estate of the late Ambrose Small, that

the undernourished, emaciated, and staid

predominant of Osgoode Hall yesterday.

During a discussion words led to

blows and Hinds and Sullivan

beat hammer and tongue of legal fees

the Misses Small screamed and counsel

and the taxing officer tried to

separate the combatants. Finally

Taxing Officer McGillivray threatened

to lay information if the affair did not end. "I am not going to have any

more rough-house in this office," he

said.

SPECIALISTS SAY

JAZZ IS TAKING HEAVY TOLL OF LONDONERS

— 6 —

LONDON—Cocktails, night clubs and excessive smoking—symbols of the "Jazz Age"—are taking heavy toll of their London devotees, health specialists said today.

"Heart disease is responsible for more deaths in London than any other affliction," said Dr. Strickland Goodall.

"Hearts weakened by the rush of work and pleasure in modern civilization bring death to 8,200 Londoners a year."

The death rate from heart disease has nearly doubled since the war."

Lack of sufficient sleep, the rush of business, and the fact that people search for pleasure, and nerves weakened by the noise and danger of traffic all combine to strike at the heart of the city resident, said Capt. Robert Whitney, secretary of the national hospital for diseases of the heart.

"London is living harder and faster and pleasure is more hectic after the day's work."

"Nerves are stretched to the limit all day, and at night people are dancing or playing tennis or rushing to the theatre. Thousands hurry through their meals, afraid of wasting a second and chronic sacrifice sleep for work or pleasure."

In my opinion, the World War was largely to blame for present conditions. People felt it necessary then to keep their minds occupied and to do something as much of the time as possible. They have retained the habit. The rush of business and pleasure has extended to athletics, in which over exercise in efforts to keep fit has become as dangerous as under exercising."

"The modern girl crowds four times as much into a single day as her mother did," another specialist said.

"If she is going out for the evening, she has no time for a rest during the afternoon, but dashes home from work dresses hurriedly, rushes through dinner, rushes out and returns too late to get sufficient sleep before another day's work begins."

"Women suffer as much as men from the strain of city life, but often the men carry on until it is too late, feeling that their families may suffer if they stop work."

"Although methods of treating heart disease are improving the cause seems to be growing faster than the cures. Death comes at an early age to a larger class of people than it once did. Last year 2,500 Londoners of half between the ages of 45 and 65 years."

— 6 —

The prejudices of nations have been due largely to the early historical teaching they have received.—C. H. K. Marten.

An Opportunity

— 6 —

A large, well established car, bus, and trucking business, with every line of cars and trucks, has an opportunity in this district for a representative to sell better class used cars and trucks, also new cars where we are not represented.

No investment is required with demonstrator and every business, early sales assistance furnished and the sales help assured.

Applicant must be of high integrity, have a good connection and furnish references to secure our attractive proposition.

Address Box "G" Strathmore Standard.

CONTROL OF P. BURNS COMPANY CHANGES HANDS

— 6 —

Announcement is made, from Calgary and Toronto that the Dominion Securities Corporation has acquired the entire business and assets of the P. Burns Company, with headquarters in Calgary. The transfer of control, which is stated to involve some \$15,000,000 will not be accompanied by any change in the management and policy of the company. Mr. P. Burns, who, with his associates, has built up the highly successful business which bear his name, will be associated with the new controlling company as chairman of the board of

directors, and Mr. John Burns will continue to direct the affairs of the company.
